Caregiver Education Sessions

June 2022

These free 90 minute online sessions are intended to provide parents, caregivers, teachers, and community members with introductory information regarding mental health challenges that can affect children and youth.

Substance Use

A Harm Reduction Approach

The experience of substance use is different for each person. Learn about some common substances used by youth, the spectrum of use, and the science behind addiction. Discover the basic principles of harm reduction and why it is beneficial for those who use substances. Learn strategies to support youth who may be using substances through courageous conversations and harm reduction strategies.

Date: Wednesday, June 1, 2022

Time: 6:00 – 7:30 pm

For caregivers of youth grades 7-12 for adults only

Understanding Autism

In this introduction to Autism Spectrum Disorder (ASD), participants will learn how ASD affects the way children and adolescents interpret and interact with the rest of the world and the people in it. Once we understand the core characteristics of ASD, we will then discuss strategies to support our child's wellness.

Date: Thursday, June 9, 2022

Time: 6:00 – 7:30 pm

For caregivers of children and youth grades K-9; for adults only.

Junior-High Jitters

Transitioning to the Teenage Years

Is your child going into grade 7 and feeling nervous about it? This session will provide information about developmental changes teens experience, as well as the challenges they may face in this school transition. Strategies for managing these changes and boosting wellness will be discussed.

Date: Wednesday, June 15, 2022

Time: 6:00 – 7:30 pm

For caregivers and pre-teens (grades 6-8) to attend together.

Registration

Sessions are offered online through the Zoom conferencing application.

Lunch & Learn Webinars

June 2022

These free 60 minute sessions are intended to provide parents, caregivers, and community members with information regarding mental health challenges that can affect children and youth. When topics are presented as a series, participants can attend one or all sessions.

Anxiety – Part 4: Overcoming Avoidance

In this session, we will conclude our Understanding Anxiety series by looking at how avoidance of stressors can increase our child's stress responses. By encouraging our children to face manageable stressors, caregivers can help their child foster effective coping skills. You are welcome to attend this session even if you were not able to attend the previous sessions in this series.

Date: Wednesday, June 1, 2022

Time: 12:00 – 1:00 pm

For caregivers of children and youth grades K-12; for adults only.

Mindfulness

Benefits for the Whole Family

In these sessions, we will explore mindfulness as an evidence-based way of supporting empathy, optimism, attention, and self-regulation skills in our families.
