### Thank you

#### Wes Hosford Family!!

Thank you for supporting our school library by purchasing books at our fair. Our Goal is to sell 600 books.

Thank you to our Volunteers for planning, setting up, decorating, helping classes create their wish lists and working the fair in the evenings. We are so lucky to have an amazing group of volunteers at our school.

### SCHOOL COUNCIL UPDATE

- Our Facebook name was changed to Wes Hosford Family & thanks to an amazing parent at our school we have a new logo for our group too.
- If you aren't apart of our Facebook Group you can find us by clicking [HERE](#). It is a great place to be!
- We held our first hybrid School Council Meeting in November and it worked well. We will continue to use this format so that everyone can participate.
- We had two successful events in November with the Book Fair and Teacher Appreciation Potluck.
- The school had received an email from GARC regarding some concerns about some issues with our use of their parking lot. A Facebook post was made and even our Wes Hosford Family is happy with the improvement people have made. Thank you to all of you for your contribution.
- Assurance Review for our school is this month and as Chair I will be representing our Parent & Guardian community as well as School Council.
- We are looking forward to the Grade 1-3 Christmas Concert coming up on December 8, 2022 and we will enjoy a Spring Concert from the Grade 4-6 students later in the year.
- The school has received extra funding to help address Covid learning loss for students in Grade 1-4. Students in need of this assistance have already been identified and the school is in the process of implementing their plan. Families will be notified if their student has been identified for this extra support.
