

## May Newsletter

Dear Wes Hosford Family,

Thank you to those who were able to complete our Parent survey. The survey results for Wes Hosford School came out in the region of 80-100% with most being around 95%. Some of the lower percentages were due to people clicking on "Don't Know", which then takes away from our percentage of satisfied responses. Regardless.... We're pleased that you're pleased!

Thank you!

Sue

### 2024-25 EIPS Annual Feedback Survey Results Report

The results are now available for the 2024-25 EIPS Annual Feedback Survey: For Parents and Caregivers conducted in March. Thank you to all families who took the time to share their feedback with the Division. The survey included a series of questions related to the three priorities outlined in the [EIPS Four-Year Education Plan: 2022-26 \(Year 3\)](#).

- Priority 1: Promote growth and success for all students
- Priority 2: Enhance high-quality learning and working environments
- Priority 3: Enhance public education through effective engagement

The overall Division results represent close to 2,400 responses from parents and caregivers across the Division. The survey results for Wes Hosford School have helped us identify the following areas of strength and opportunities for growth.

Areas of strength:

- My child's school encourages my child to be a responsible, respectful, and engaged citizen.
- School staff care about my child.
- There is open and honest communication at my child's school.

Opportunities for growth:

- How satisfied are you with the resources available to support your child's learning?
- In your opinion, has the quality of education your child's experienced improved, stayed the same or declined?
- How satisfied are you with the Division's commitment to engaging stakeholders?

The feedback gathered in the survey will help our school and the Division measure its progress toward meeting the priorities and goals outlined in the [EIPS Four-Year Education Plan](#) and develop strategies to better serve students and the wider community moving forward.

## Educational Assistant Appreciation Day is May 14!

On May 14, we recognize the dedication, hard work and compassion of educational assistants in our school community and across Elk Island Public Schools. Educational assistants play an integral role in education, from one-on-one student support to larger classroom dynamics. Thank you to all our educational assistants—you make a difference in the lives of students every day, and we are so grateful to have each one of you in our school.

This Educational Assistant Appreciation Day and beyond, we encourage students, families and staff to take a moment to tell an educational assistant how they've impacted you and to share your appreciation with them.

## First Nations, Métis, Inuit, Newsletter
